

Environmental, Health and Safety Services for RELIGIOUS ORGANIZATIONS

Gallagher Bassett is pleased to announce the addition of **Aires Consulting** to the Risk Control Consulting Services (RCCS) division. Aires Consulting is a full service Environmental, Health and Safety provider that offers a diverse set of disciplines. The addition of Aires Consulting to Gallagher Bassett Risk Control Consulting Services enhances the depth of our risk control services and adds exciting new capabilities that religious organizations routinely require.

As our dynamic and successful preferred partner since 1987, Aires' exceptional level of service, innovative products and attention to detail are proven. We are proud to offer their services to you as part of the Gallagher organization!
